

How to Use the Tutorials Panel

All WRRs come with a series of video and written guides to aid users as they work within a WRR and to help them troubleshoot any issues that may arise.

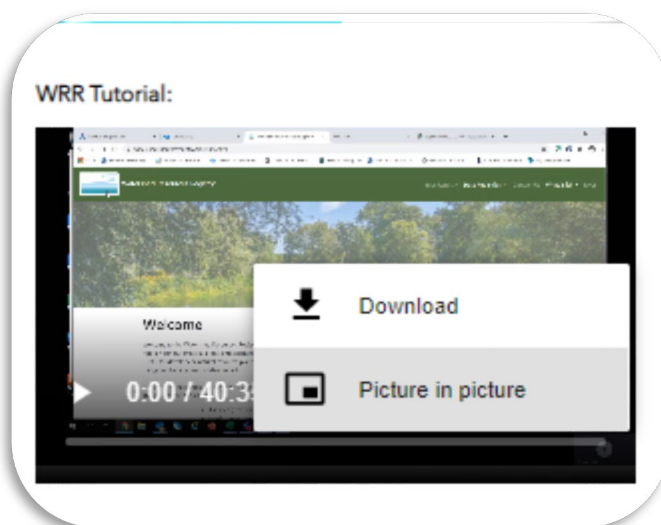

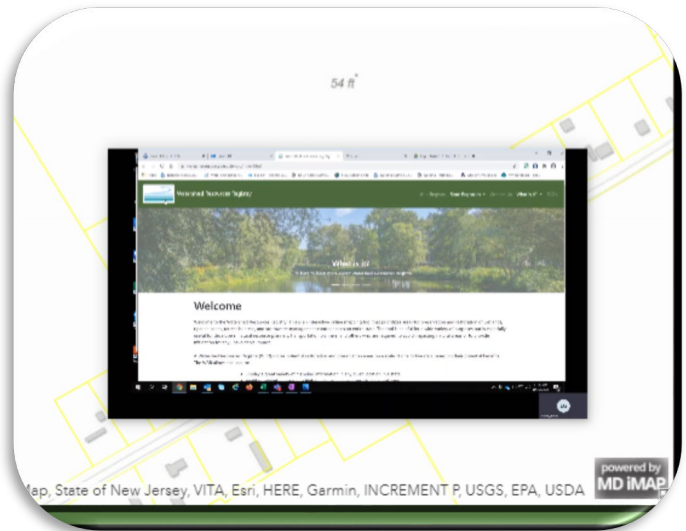

The Tutorial panel features two tabs: Videos and Fact Sheets.

Videos

The Video tab hosts a series of short and long tutorial videos that breakdown how to use different features within WRRs. Videos can be played within the panel or made full screen. If you click on the vertical three dots, there is an option called, 'Picture in picture'. This feature will pop the video out of the tool panel and onto the map as a small, movable window. This will allow you navigate to other tool panels and work with other features on the map, while watching the video.

Fact Sheets

The Fact Sheet tab lists a series of hyperlinks. Clicking on these links will open a pdf in a new tab. These pdfs include written, step-by-step instructions for how to operate different tools and features within WRRs.
